## Just small information

In the case of using **the Zoom** communicator for the first time, after clicking on the link, your computer (or another device) will intuitively guide you through the installation process of the necessary part of the application. Next, it will ask for access to the microphone and the video source.

The meeting ID numbers and password provided under the links are unlikely to be needed. They are provided in case of unexpected problems as another form of logging into the meeting room.

See you soon!
